BYE-LAWS FRAMED BY THE CITY OF BANGALORE MUNICIPAL CORPORATION UNDER SUB-SECTION (4) OF SECTION 240 AND CLAUSES (a) AND (b) OF SUB-SECTION (12) OF SECTION 367 OF THE CITY OF BANGALORE MUNICIPAL CORPORATION ACT, 1949 (ACT LXIX OF 1949), FOR THE REGULATION OF BUILDING AND FOR DETERMINING THE INFORMATION AND PLANS TO BE SUBMITTED WITH APPLICATIONS TO BUILD.

Building Sites.—1. No piece of land shall be used as a site for the construction of a building,—

(i) if the Commissioner considers that the site is insanitary or that it is dangerous to construct a building on it;

(ii) if the site is within thirty feet of the highest water mark of a tank, unless the owner satisfies the Commissioner that he will take such measures as will prevent any risk of the domestic drainage of the building passing into the tank;

(iii) if the owner of the building has not shown to his satisfaction all the measures required to safeguard the construction from constantly getting damp;

(iv) if the construction of the building thereon is for public worship, which in the opinion of the Corporation will wound the religious feelings of any class of persons in the vicinity thereof;

(v) if the site is not drained properly or is incapable of being well drained;

(vi) if the site is filled up tank, or has been filled up with or used for depositing rubbish, offensive matter or sewage, unless the Health Officer has examined the site and granted a certificate to the effect that it is, from a sanitary point of view, fit to be built upon;

(vii) if the building is to abut on a street, unless the site is of such shape that the face of the building can be made parallel to the line of the street or as nearly parallel to the said line as the Commissioner may allow;

(viii) if the use of the said site is for the purpose of establishing a factory, ware-house or work-place, which in the opinion of the Commissioner will be a source of annoyance to the health and well-being of the inhabitants of the neighbourhood.

Provided that any person aggrieved by the decision of the Commissioner may within thirty days of the date of such communication of the decision, appeal to the Standing Committee whose decision shall be final and binding on the applicant.

Notice to be given.—2. (*a*) Every owner of a land or building intending to construct or re-construct any building or well or hut shall give notice within the meaning of sections 244, 255 or 256 of the City of Municipal Corporation Act, 1949, of his intention to the Commissioner according to the Form appended to these Bye-laws.

(*b*) The power of sanctioning or refusing to sanction such building shall be exercised by the Commissioner.

(*c*) The Commissioner may refuse permission for the use of a site for the construction of a building for any specified purpose if he is satisfied that its use will be detrimental to the health and comfort of the locality.

Plans to be furnished.—3. Every person giving such notice shall submit therewith the following:—

(i) A copy of the title-deed of the site on which the construction or re-construction is proposed, if called for.

(ii) A challen for payment into the Corporation Treasury of the fees as specified in bye-law No. 4 below.

(*b*) the position, nature and use of all existing buildings thereon, and of the proposed building, and all appurtenant out-buildings;

(*c*) the nature of the ground on which the proposed building is to be erected, whether made or natural weather rock, clay, gravel, sand or mixed, as the case may be; and in the case of made-up grounds, the time when it was so made-up, and the materials used in making it;

(*d*) the position of latrines or privies, and the proposed method of drainage;

(*e*) the name, if any, or description of the adjacent roads, streets or lanes with the width thereof, and the position, use and number of storeys of the adjacent buildings giving the dimensions of the distance they are away from the road margin;

(*f*) the purpose of the proposed structure or parts thereof;

(*g*) the number of the lot and the name and number of the block and street or road in which the land is situated; and

(*h*) where the site on which the building proposed to be erected abuts a road, the breadth of such road as measured between the outer edges of the drain, if any, and the line of buildings on both sides.

Provided that in the case of buildings of less than Rs. 500 in value, it shall be sufficient for the site plan to show to the satisfaction of the Commissioner, without scale, the size of the proposed building and its position on the land, together with the position of the land with reference to adjacent buildings or lands.
